
Practice!

One day I went for a walk. My mom came with me. The weather was warm. It wasn't too warm. There was a nice breeze blowing. It kept us cool. We saw lots of things. We saw Mr. Greene's beautiful rose bushes. We waved to our neighbor Mrs. Hill. She makes the best cookies. We met Alan. He was taking his dog for a walk. His dog's name is Butter. We stopped to pet Butter. We went by a park. Mom said we could stay a little bit to play. I went down the slide. Mom pushed me on the swings. I love to go as high as I can. Mom even teeter-tottered with me on the see-saw. It was time to go home. It was a great afternoon.
